Title: EDWARD DAVID VOGEL

Character: ANTI-RACKETEERING

Synopsis: VOGEL has returned to the Chicago area from Palm Springs, California, where he spent the bulk of the winter season. His chauffeur and body guard, NATHAN "BUTCH" LADON spent most of the time, while VOGEL was in Palm Springs, in Chicago, but joined VOGEL on one or two occassions during the winter of 1972. VOGEL in reasonably good health following his recent operations, but is required by his physician to take short rests throughout the day and evening. VOGEL continues to reside in Suite 1711 in the Lake Shore Drive Hotel, Chicago. VOGEL's closest associate is JULIUS ZIMBEROFF, who is the President of Deluxe Cigarette Service and the Apex Amusement Company, Niles, Illinois.

- P -

DETAILS: AT CHICAGO, ILLINOIS

CG T-1 advised that although VOGEL spent most of the winter months in Palm Springs, California, he recently returned to the Chicago area where he resumed residence in Suite 1711 in the Lake Shore Drive Hotel, 181 East Lake Shore Drive, Chicago, Illinois. This information of CG T-1 was confirmed by CG T-2.

CG T-1 advised that although VOGEL is making a normal recovery from the series of operations which he

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

recently had, he is required by his physician to take numerous rests throughout the day and evening hours.

CG T-1 advised that while VOGEL was Palm Springs, California, his chauffeur and body guard, NATHAN "BUTCH" LADON, maintained VOGEL's residence in the Lake Shore Drive Hotel, except for one or two occassions when he traveled to Palm Springs to contact VOGEL. CG T-1 advised that VOGEL maintains his automobile in the Drake Hotel Garage located next to the Lake Shore Drive Hotel.

CG T-1 advised that he is aware that VOGEL also has a Cabana at the Outer Drive East Apartment located at 400 East Randolph, Chicago, Illinois, and that he spends a considerable period of time there with his close associate in the leadership of organized crime, GUS ALEX.

CG T-1 advised that the closest Chicago associate of VOGEL, other than ALEX, is JULIUS ZIMBEROFF, the President of the Deluxe Cigarette Service and the Apex Amusement Company, both located in the same building on Milwaukee Avenue in Niles, Illinois. It is noted that information has previously been reported that VOGEL is the major stockholder in these companies.

CG T-2 advised that although VOGEL probably continues to furnish a "cut" of the profits from the Deluxe Cigarette Service and the Apex Amusement Company to the leadership of organized crime in Chicago, he has no known other function in the affairs of organized crime in Chicago and is currently in what might be classified as a "semi-retired status".

Informant advised that the current pattern of activity on the part of GUS ALEX at the present time is to leave his apartment at approximately 8:00AM each morning and drive in his red GTO convertible to his place of business, The Deluxe Cigarette Service and Apex Amusement Company located in Niles, Illinois, in the 7700 block of North Milwaukee. Informant noted that this is the business where ALEX actuallyis in complete control but where he is listed merely as the public relations director with JULIUS ZIMBEROFF listed as President. Informant advised that ALEX generally remains at the Deluxe Cigarette Service until approximately 10:30 or 11:00 when he drives back to his residence at 1300 Lake Shore Drive. He generally picks up his mail, visits briefly with his wife and than goes to one of his [redacted] These are [redacted] located in the [redacted] and the [redacted] located at [redacted] in the loop area of Chicago. After approximately half an hour or an hour depending on the nature of his business there ALEX than meets with one of his associates in the leadership of organized crime, usually either RALPH PIERCE or LES KRUSE or both. These meetings generally take place in a public restaurant located in the loop area of Chicago. Following these meetings ALEX generally goes to the Riviera Club, a health club located at 400 East Randolph in the Outer Drive East Apartments. Informant advised that ALEX has a cabana there and shares the cabana with his associate in the leadership of organized crime, EDDIE VOGEL.

b7D

ALEX and VOGEL are generally attended at the health club by their bodyguard and chauffeur, NATHAN "BUTCH" LADON. The number of this cabana is number six located on the lower level of the Riviera Club close to the pool area. Informant advised that while at the Riviera Club, ALEX generally has massage, steam bath, swim and takes a nap. He then returns to his residence during the early evening hours where he generally remains with his wife. However, on some occasions he dines out with one of his two close social friends either MICHAEL BRODKIN, Chicago Attorney or JIM KENNEDY, Chicago labor leader. The favorite restaurants of ALEX at the current time are the [redacted] located in the [redacted] Informant identified KENNEDY as being the President of the Fireman's and Oiler's Local Union 7, American Federation of Labor-Congress of Industrial Organization (AFL-CIO) at 100 North LaSalle, Chicago. He is a man in his seventies, grey hair, stocky, married and use to be a close associate of the late SANDY O'BRIEN, former top teamster official. KENNEDY resides at 777 North Michigan and also has a residence in Fort Lauderdale, Florida, where ALEX also has a residence. Informant also advised that ALEX has generally been splitting his time between his two residences and is spending an equal amount of time in Florida. Informant advised that as a matter of fact ALEX was in Florida during the month of June and returned to Chicago shortly after the Fourth of July. Informant also advised that ALEX has been travelling to the residence of his brother, SAM ALEX, who he generally calls "RIP", in Cassopolis, Michigan. It is noted that SAM ALEX has a farm in Cassopolis. Informant advised that at the present time it is probably the most important function of ALEX in organized crime to maintain contact with SIDNEY R. KORSHAK, a prominent attorney with offices in Chicago, Las Vegas, Los Angeles and New York and residences in these cities and on the French Riveria.

CG [redacted] b7D

Informant noted that [redacted] that organized crime [redacted] has at the present time for the reason that KORSHAK is extremely close to many highly placed people in business, labor and public affairs. It is the function of ALEX to [redacted] f organized crime throughout the country and when any member of organized crime desires a highly placed contact made [redacted] contacts it is necessary that [redacted] n organized crime who [redacted] ALEX, who then [redacted] KORSHAK, almost always in a city outside Chicago.

Informant advised that at the current time GUS ALEX is one of the most important figures in the leadership of organized crime. He advised that he still ostensibly has control of the loop area of organized crime but that there is [redacted] in the loop area. b6 b7C b7D He noted that several years ago the loop area was one of the most lucrative locations [redacted] but that in recent years the federal government has [redacted] in this area. Informant advised that he believes that FIORE "FIFI" BUCCIERI, through [redacted] in the loop area and that he and ALEX have some type of an agreement as to [redacted] in this regard. However, [redacted] is not nearly what it was years ago. In speaking of BUCCIERI, informant advised that BUCCIERI's prime sphere of influence is on the west side of Chicago and that most of his gambling activities, although drastically reduced in recent years, is in this area where [redacted] urposes.

CG [redacted] b7D

Informant advised that LES KRUSE has recently been assigned by ALEX to make contact for ALEX and for other leaders of organized crime in Chicago in the [redacted] area. Informant knows that KRUSE has travelled [redacted] on assignment from ALEX on two or three occasions during [redacted] However, he is unable to advise as to the specific nature of this assignment although he speculated that it might involve either an [redacted] or gambling casino or the contacting by KRUSE in [redacted] of individuals there for the purpose of straightening out a particular problem. Informant advised that KRUSE is making a steady recovery from the few heart attacks which he suffered and at the present time although moving at a slower pace he is able to conduct almost normal daily activity.

Informant advised that CHARLES "SPECS" DI CARO is relatively inactive at this time in the affairs of organized crime and is attending on a full time bases to his legitimate employment as a laborer setting up expositions and exhibits at McCormick Place.

Informant advised that it has become common knowledge in the Chicago area among the leaders of organized crime that the federal government is about to indict DOMINIC "BUTCH" BLASI. Informant advised that at the present time BLASI is the "caretaker" of the interest of SAM GIANCANA, the top leader of organized crime in Chicago who has not been in the Chicago area since he left here upon his release from jail in the summer of 1966. Informant advised that the leadership of organized crime at the present time is concerned about the impending indictment of BLASI in that it will obviously curtail and limit his activities on behalf of GIANCANA. Informant advised that he would expect that GIANACANA would replace BLASI with another individual when and if BLASI is indicted.

Informant speculated that possibly [redacted] would be the individual [redacted] BLASI in this regard. Concerning CAIN, informant advised that he has obviously left the Chicago area and has not been seen since the early part of May, 1972. Informant was unable to advise as to the exact current location of CAIN but speculated that he is probably with GIANCANA wherever GIANCANA might be. b6 b7C b7D

Informant advised that FRANK LA PORTE has recently travelled to the San Diego, California, area where he has been in contact with HY GODFREY, the former associate of many of the top leaders of organized crime who acted as appointment secretary and chauffeur for these individuals but who retired to San Diego several months ago. Informant believed that the visit of LA PORTE to GODFREY may have been just a social visit. Informant advised that GODFREY still owns the Hyde Park Insurance Agency on the south side of Chicago but he is attempting to sell it and is attempting to obtain a [redacted] in the San Diego area. Informant is aware that GODFREY has been in contact with JOE FUSCO, a prominent Chicago liquor distributor and beer distributor for whom GODFREY formerly worked. GODFREY is attempting to have FUSCO use his influence and contacts [redacted] in the San Diego area. Speaking of FUSCO, informant advised that at the current time although he continues to associate on a spasmodic bases with certain leaders of organized crime including GUS ALEX, TONY ACCARDO and PAUL RICCA, he at the present time is currently involved primarily in the operations of his legitimate businesses, primarily [redacted] in the Chicago area including [redacted]

CG [redacted]

b6
b7C
b7D

Informant does not believe that FUSCO is currently active in the affairs of organized crime in Chicago.

Informant advised that at the present time HY LARNER is probably the most active Chicago area individual who is involved in gambling activities [redacted] Informant advised that LARNER, advised by [redacted] a former Chicagoan who recently has been involved in a gambling casino [redacted] has set up several gambling casinos in [redacted] and [redacted] The informant was unable to specifically advise as to the exact locations of these places but noted that this activity is currently one of the most lucrative income producers to organized crime. Informant advised that KRUSE has also been active in this activity, KRUSE, LARNER [redacted] being the [redacted] activity. Informant noted that KRUSE for many years was in charge of the [redacted] the casino type gambling activity in the Chicago area, whereas LARNER and [redacted] have also been active for decades in this type activity.

Informant advised that PAT MARCY, the real power behind the throne in the First Ward Regular Democratic Organization, continues to be the leading politician who is controlled by the leadership of organized crime in Chicago. Informant advised that MARCY is probably the most influential contact inasmuch as he has access to the many judges, politicians and public officials who have been put where they are by the leadership of organized crime. Informant noted that as of the present time it is almost impossible for the leadership of organized crime to place an individual in a public job or in the judiciary since they do not have the influence they currently had.

b6
b7C
b7D

However, the leadership still has individuals in these positions whom they placed years ago and who continue to be under their control or influence. The individual who is [redacted] of these people is MARCY. The [redacted] MARCY is GUS ALEX.

Informant advised that [redacted] at the present time is employed by the [redacted] in Chicago at a salary in excess of $20,000.00 and is also [redacted] with a [redacted] on the west side of Chicago. He currently resides on [redacted] Illinois, in the home [redacted] ANTHONY CHAMPAGNE. Informant advised that [redacted] is very closely associated at the present time with SAM ENGLISH but is not known to be performing services for ENGLISH in any illegal activity.

Informant advised that LEONARD PATRICK is still the upper echelon leader of organized crime in charge of organized crime in Rogers Park area of Chicago. Informant advised that PATRICK continues to utilize the Black Angus Restaurant on North Western Avenue in Chicago as his headquarters and is very active in gambling activities.

Informant advised that ED VOGEL continues to spend a great deal of his time in the Palm Springs, California, area but at the present time is back at his Chicago residence, the Lake Shore Drive Hotel, 181 Lake Shore Drive. VOGEL, being a very elderly individual, has numerous and serious problems with his health but is able to move about with the assistance of his chauffeur and bodyguard, BUTCH LADON.

Informant advised that [redacted] continues to be [redacted] for many of the top leadership of organized crime. [redacted] has recently been in the San Francisco area on an assignment but the exact nature of this assignment is unknown to the informant. [redacted] is the [redacted] Union in Chicago. Title: EDWARD DAVID VOGEL

Character: ANTI-RACKETEERING

Synopsis: VOGEL has spent the major portion of his time during the past six months in the Chicago area. However, he is relatively inactive in the affairs of organized crime at the present time due to the status of his health which is extremely poor. VOGEL has recovered reasonably well from his operations but these operations have left him weak and in view of his advanced age he has decreased substantially his activity. VOGEL continues to reside in Suite 1711 in the Lake Shore Drive Hotel, Chicago, Illinois. He also has spent some time during the past six months in the PalmSprings, California, area. VOGEL continues to utilize the services of NATHAN "BUTCH" LADON as his chauffeur.

- P* -

DETAILS: AT CHICAGO, ILLINOIS.

CG T1 advised that VOGEL has spent the major portion of his time during the past six months in the Chicago area where he has resided in Suite 1711 in the Lake Shore Drive Hotel, 181 East Lake Shore Drive, Chicago, Illinois.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency. nor duplicated within your agency.

CG T1 advised that VOGEL spent a great deal of his time during the summer of 1972 in a cabana which he ownes with his close associate, GUS ALEX, in the outer drive east apartments located at 400 East Randolph, Chicago, Illinois. CG T1 advised that VOGEL and ALEX met with their associates in organized crime on several occasions during the summer at this location.

CG T1 advised that VOGEL has decreased his activity in the recent months due to the status of his health which is poor. CG T1 advised that VOGEL has made normal recovery from the operations which he had in the Fall of 1971 but in view of his advanced age, VOGEL being currently in his 70's, VOGEL has not resumed substantial activity in the affairs of organized crime following his operations.

In addition to ALEX, CG T1 advised that probably VOGEL's closest current associate is JULIUS ZIMBEROFF, the president of the Deluxe Cigarette Service and Apex Amusement Company, both located on Milwaukee Avenue in Niles, Illinois. It is noted that for decades VOGEL was the president and major stockholder in these companies but that in recent years these companies have been more controlled by ALEX than by VOGEL.

Synopsis: According to sources of Chicago Office, VOGEL has spent most of his time during past four months in Palm Springs, California, area. VOGEL reportedly continues in ill health. Suite maintained by VOGEL in Lake Shore Drive Hotel in Chicago continues to be maintained for him in his absence by his general functionary, NATHAN "BUTCH" LADON. DETAILS: AT CHICAGO, ILLINOIS.

CG T-1 advised that although EDWARD VOGEL continues to maintain Suite 1711 in the Lake Shore Drive Hotel, 181 East Lake Shore Drive, Chicago, he has spent very little time there during the past four months. CG T-1 advised that VOGEL has advised him that he has been in Palm Springs, California, most of the time during the past four months.

CG T-1 advised that VOGEL appears to be in very poor health and continues to suffer from the ill effects of the stroke which he suffered approximately two years ago. This source also advised that VOGEL walks with a decided limp and recalled that VOGEL nearly lost his life eight or nine months ago when a blood clot developed in his leg and required emergency surgery.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

U. S. GOVERNMENT PRINTING OFFICE: 1970 O 406 840

CG T-1 advised that VOGEL's suite at the Lake Shore Drive Hotel has been maintained for him during his absence by VOGEL's long-time associate, NATHAN "BUTCH" LADON. It is noted that LADON has been identified in the past by several sources as being the general functionary of VOGEL and of GUS ALEX, an upper echelon leader of organized crime in Chicago.

CG T-1 also advised that VOGEL returned to his residence in the Lake Shore Drive Hotel in early October, 1973, and as of October 11, 1973, remained in residence there.

CG T-2 advised that he is aware that VOGEL returned to Chicago during either late September, 1973, or early October, 1973. CG T-2 advised that it is his understanding that VOGEL has been in the Palm Springs, California, area where ANN FENNER, long-time girlfriend of his, maintains her residence. CG T-2 advised that it is his understanding that VOGEL resides with ANN FENNER when he is in Palm Springs but that he is not sufficiently conversant with this situation, so he knows this as a matter of fact.

CG T-2 advised that he is unaware of any contact by VOGEL in Chicago of his associates in the leadership of organized crime. CG T-2 advised that he knows of no active role presently played by VOGEL in the affairs of organized crime in Chicago, except that he probably continues to have a financial interest in the Apex Amusement Company, 7743 Milwaukee Avenue, in Niles, Illinois, a distributor of coin-operated machines. CG T-2 noted that for many decades in the 1940's, 1950's and 1960's, VOGEL had a very active interest in the management of this company, but that since he had his stroke approximately two years ago, ALEX has devoted more and more of his time to the management of this company, and VOGEL has diminished his active participation therein. CG T-2 observed that undoubtedly had ALEX been in Chicago at the time of VOGEL's visit he would have been in frequent contact with VOGEL, but it so happened that ALEX was residing in his Fort Lauderdale, Florida, condominium at the time of the VOGEL visit to Chicago.

Informant advised that organized crime in Chicago as of Mid-October, 1973, continues to be led by GUS ALEX, TONY ACCARDO, and JOE "O'BRIEN" AIUPPA. Informant advised that the [redacted] have been taken over by O'BRIEN and all [redacted] and [redacted] done for the organization is now being bossed by O'BRIEN. Informant advised that this does not mean that the actual [redacted] O'BRIEN himself, and does not mean that CHUCKIE NICOLETTI does not continue to operate as the [redacted] in Chicago However, the activities of NICOLETTI in this regard [redacted] by AIUPPA and neither NICOLETTI nor anyone else can make [redacted] of AIUPPA, ALEX, and ACCARDO.

Concerning the vacancy which currently exists in the FIORE BUCCIERI Organization with the death of BUCCIERI, informant advised that insofar as he has been able to ascertain, no one has been designated to replace BUCCIERI as of Mid-October However, JAMES "TURK" TORELLO has been handling most of the responsibilities for this group and undoubtedly [redacted] [redacted] FIORE BUCCIERI. Informant opined that BUCCIERI's brother, FRANK, would be also considered [redacted] except for his inordinate and time consuming love for women and night life which detracts from his organizational activity. Informant was therefore of the opinion that TORELLO would be the individual who will ultimately be choosen [redacted] FIORE BUCCIERI.

In regard to the current labor union situation, informant advised that AIUPPA also has [redacted] [redacted] in this field although GUS ALEX [redacted] and handles some contacts in unions where he has closer ties then AIUPPA. Informant stated that one of these locals would be Local 134, of the Electrical Workers where [redacted] and has been closely associated with ALEX for many years

Informant advised that undoubtedly the classic example of a local union being controlled by organized crime at the present time would be Local 5 of the

International HOD Carriers Building ~~their~~ Common Laborers Union in Chicago Heights where AL PILLOTO is the President of the local where he is the boss of organized crime in Chicago Heights and where PILLOTO's brother is the Chief of Police in Chicago Heights, Illinois. Informant stated that obviously there can be no tighter control of the union when the head of organized crime is also the head of the local.

Regarding PILLOTO informant advised that PILLOTO has [redacted] in the [redacted] of Cook County His number one lieutenant is TOOTS PALERMO, and JIMMY CATUARA is also one of his top lieutenants. Another [redacted] in PILLOTO's organization is [redacted] who at the present time, is [redacted] putting in coin operated machines and who is in charge of [redacted] in the [redacted] Informant identified an individual named [redacted] with the last name starting with [redacted] in these activities Informant advised that [redacted] headquarters is a [redacted] on [redacted] a block or so east of [redacted] b6 b7C b7D

Informant advised that [redacted] TOMMY RUSSO who is currently working under O'BRIEN but was overseeing the activities of HY LARNER who spends very little time in Chicago now that he has purchased a home in Panama The activity of this group is centered in their operation of a large coin operated machine route with stops all over Cook County and some in Chicago

In regard to the coin operated machine situation at present it is the general rule of thumb in organized that all income from pinball machines must be given to the "west side" Whereas all income from juke boxes stay with the owner of the route Another words income from pinball machines must be given completely to the leadership of organized crime whereas the operator himself is able to retain all income from juke boxes

to compensate himself for his endeavors Any violation of this is strictly dealt with by the leadership and in this regard informant believes that one [redacted] the LARNER group probably violated this dictate which is the reason he has been missing since early August. and has probably been killed

Informant advised that LES KRUSE suffered a relapse shortly after his return from the Mayo Clinic in early October even though he had been given a "clean bill of health" there As a result KRUSE was taken to St Francis Hospital in Evanston, Illinois on October 1, and was released after making normal recovery on October 5 1973

Informant advised that ALEX left Chicago for his Fort Lauderdale Florida, residence towards the end of September and was due back in Chicago on October 14

Informant advised that although EDWARD VOGEL has spent the majority of his time in recent months with his girlfriend ANN FENNER, in Palm Springs, California he returned to Chicago in late September and was still in Chicago at his suite in the Lake Shore Drive Hotel as of October 5, 1973

Informant advised that JOSEPH FERRIOLA was released from Federal prison in early September However informant is unable to advise concerning his current activity

Informant advised that JACKIE CERONE, formerly the top leader of organized crime in Chicago, was due to be released from Federal prison in Mid-October, but doubts that CERONE will resume a leadership position in organized crime for two reasons: one is [redacted] because of the fact that [redacted] The other reason is that CERONE [redacted] subject to being [redacted] in the event he is observed in organized crime activity

CG [redacted]

b6

Informant advised that JOE CORNGOLD at the present time has a serious impariment of his eye sight In view of CORNGOLD's infirmity in this regard, and because of his advanced age, CERONE is relatively inactive in organized crime activity currently and is spending most of his time at a residence he has in Arizona Informant stated that he is not sure where in Arizona CERONE resides, but believes it is in the Tucson area

Informant advised that a very serious situation has [redacted] FRANKIE LA PORTE, the former boss of organized crime in Southern Cook County who died approximately one year ago Informant stated that [redacted] left by LA PORTE, and at the present time is [redacted] Informant advised that inasmuch as [redacted] this constitutes a serious problem inasmuch as the leadership of organized crime is concerned that [redacted] law enforcement concerning her knowledge of the activities of LA PORTE and his organization Informant noted that as a result of this crisis, the home of LA PORTE in Flossmoor is up for sale

Concerning Gold Seal Liquors, informant noted that this liquor distributorship was controlled by organized crime until the time that it was sold by JOE FUSCO. Since FUSCO sold Gold Seal, informant advised, there has been no tie between organized crime and Gold Seal Informant noted that although [redacted] Gold Seal he has no stock in the company nor is he an officer.

Informant also advised that JOE FUSCO, who now owns Van Merritt Liquor Distributorship also owns the brewery which brews Old Chicago Beer the only beer currently being brewed in Chicago

Informant advised that although HY GODFREY recently had pneumonia he has made a satisfactory recovery and has now residence in San Diego Informant advised that when GODFREY retired from organized crime in Chicago he cut his ties completely with organized crime and [redacted] San Diego, through an association with the owner of

b6

a liquor distributorship there. However, after GODFREY got to San Diego but before he could take the job, this individual died and there was no longer an opening for GODFREY in this regard As a result he is currently retired, living on his savings and on income from his ownership in the Hyde Park Insurance Company, in Chicago, Illinois.

Informant advised that [redacted] PHIL ALDERISIO, currently is selling [redacted] One of these is located opposite the [redacted]

[redacted] informant advised that he has heard a rumor that the reason for the recent shooting at Chief of Police ROBERT FRODIN in Calumet Park was becuase he refused to allow PILLOTO permission to move his coin operated machines into Calumet Park. Informant advised, however, that he disregards this rumor and does not believe that this is the reason for the shooting which took place at the residence of Chief FRODIN three weeks ago. Informant advised, however, that coin operated machines currently are the biggest producer of income to organized crime and that drastic measures are being taken by the leadership of organized crime to enhance that income so that all precautions are being taken to safe-guard coin operated machine routes today.

Informant advised that although he does not know this as a matter of fact, he understands that SAM GIANCANA has been in the Chicago area twice in the past year or so. Informant stated that he believes that GIANCANA sent word to his former General Functionary, DOMINIC "BUTCH" BLASI, that he wanted to meet with a select few of the top leadership of organized crime. BLASI then made the contacts with these individuals and made arrangements for a meeting site in an area remote from the metropolitan Chicago area with great precautions to preclude observation by law enforcement. Informant advised that he has heard this information and cannot confirm it, nor can he advise concerning the identity of the leaders who met with GIANCANA, nor the matter of their business.

DETAILS

AT CHICAGO, ILLINOIS

CG T-1 advised that EDWARD VOGEL continues to maintain Suite 1711 in the Lake Shore Drive Hotel, 181 East Lake Shore Drive, Chicago, Illinois. She advised that although VOGEL spent most of the month of October in Chicago, he left Chicago in November and has not been back to her knowledge since.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

CG T-1 advised that VOGEL intended to go to Palm Springs, California, when he left Chicago, but knows that he is very close to GUS ALEX, one of the three top leaders of organized crime in Chicago at the present time, and suspects that VOGEL may travel to Ft. Lauderdale, Florida to visit ALEX. It is noted that ALEX has a condominium apartment in Ft. Lauderdale.

CG T-2 advised that although VOGEL continues to have the majority stock interest in the three companies in Niles, Illinois, which are the primary coin operated machine distributors in Chicago, he has recently left most of the policy decisions and operations to GUS ALEX, who is on the payroll of the three companies as a public relations director. These companies are the Apex Amusement Company, the Ajax Cigarette Service and the Deluxe Amusement Company, all located at 7743 Milwaukee Avenue, Niles, Illinois, a northern suburb of Chicago.

CG T-3 advised that VOGEL, now in his 80's, suffers from the usual maladies, which effect the geriatric generation and advised that in addition to these VOGEL has also suffered a stroke and a serious blood clot condition in his leg in the past two years. He advised that as a result, VOGEL is not capable of conducting more then bare routine daily functions and is not active in the affairs of organized crime in Chicago, as of this time.

This information has been confirmed by CG T-2.
